Wm Lloyd Garrison,
Boston, Mass.

Dear Sir:

Your letter of the 10th inst.
inclosing your photograph, and
poem "Human Equality" thankfully
received. Accept the hearty thanks
of my wife and self and on
behalf of our baby "Lloyd" named
after you, for your letter and
photograph. We cast around
a long time for a name for him,
and finally selected yours as most
representative of our country's history
for the last twenty five years.

My parents were your followers in
western Ohio many years ago, and
my political views were strongly
colored by yours:

Very truly

N. P. Garrettson
